| Date          | Number of shares outstanding | Total voting rights        |                          |
|---------------|------------------------------|----------------------------|--------------------------|
|               |                              | Total gross <sup>(1)</sup> | Total net <sup>(2)</sup> |
| July 31, 2020 | 21 947 016                   | 21 947 016                 | 21 686 936               |

- (1) The total number of gross (or "theoretical") voting rights is used as the basis for calculating threshold crossings. In accordance with Article 223-11 of the AMF General Regulations, this number is calculated on the basis of all shares to which voting rights are attached, including those for which voting rights have been suspended.
- (2) The total number of net (or "exercisable at a Shareholders' Meeting") voting rights is calculated without taking into account shares for which voting rights have been suspended. It is released in order to ensure that the public is properly informed, in accordance with the recommendation made by the AMF on 17 July 2007.
